REQUIRED MATERIALS

There is no known text material for this course. Reading material for the course will be selected from the course topical bibliography. The precise articles to be covered during the semester will be determined and distributed approximately two weeks before that article is to be discussed.

CONDUCT OF COURSE

The course will be conducted as a seminar. Each student is expected to participate in every class. The grade will be determined on the basis of the quality of the student's class participation, presentations, and written assignments.
