

FREEZ' BEEZ

(41)

INSTRUCTIONS

- * Use joystick / keyboard to move Penguin around ice field.
- * Press "fire" / L to push iceblocks and squash snowbees.
- * Press "fire" / L to crumble trapped iceblocks
- * A snowbee sting ^{pick} is deadly so keep away from them!
- * Flashing iceblocks contain Snowbee eggs. crush them to earn bonus points - beware they may hatch out.
- * If Penguin pushes a wall then all the snowbees along that wall will be made dizzy. Push them to splat them before they come round!
- * Clear the icefield of all of snowbees as quickly as possible to earn a big points bonus!
- * Bonus life every fifth screen
