by K. J. BEZANK

Press "S" to START  
Press "C" to continue

C SELECT options

- S - START game
- I - INSTRUCTIONS
- P - PRACTICE MODE
- D - DISPLAY MODE

I Press "C" at any time to continue to the next page of the instructions. There are 6 pages in total. Press "Q" at any time to quit

INTRODUCTION

Q Hello, my name is Smiffy. I need you to help me regain my freedom by destroying the Central Computer that has kept me under surveillance for the past ten years.

This can only be accomplished by switching off the computer's power and thus corrupting its volatile memory.
