

Fighting MAZIACS without a  
SWORD takes LONGER and you  
will PROBABLY be KILLED

IF you are SITTING down, any  
attacking MAZIAC will ALWAYS  
send you to YOUR MAKER

### (A) (J) VIEW

The main SCREEN will show you  
only a FIFTIETH of the MAZE

View will show about a TWELFTH

This helps locate SWORDS etc. BUT  
although MAZIACS can still move  
YOU CAN'T!

(Any key restores MAIN screen)

### (A) (L) The TREASURE

The TREASURE will be at least  
200 MOVES from the start

You can't carry the TREASURE AND  
a SWORD

You can swap sword and  
treasure at any time

Killing rather than avoiding  
MAZIACS on the way to the TREASURE  
will help (a bit!)
