

- You can QUIT if you're had enough, or LOOK if you need to be reminded of your surroundings

- If you are having trouble trying to do something, it usually means that what you are attempting is beyond you (or my!) power.

Try a different approach and you may succeed.

- Remember that cave passages and paths through forests turn a lot so that moving north from one place does not always mean entering the next from the south.

*** The Pharaoh's Tomb ***

- your task is to collect the treasures you find and return with them to the oasis.

- guide me with short sentences such as GET THE CANDLE. Direct me using NORTH, S, W E, UP or DOWN

- I know many words (over 70!) e.g. GET, DROP, LOOK, LIST, USE, QUIT.

You can see your score by entering SCORE - the top score is 1520.

As this is a long game, you may save it on tape when you quit
Good luck!
