PUBLICATIONS

"Using DBMS Software as an Audit Tool: The Issue of Independence" (with Ron Weber), The Journal of Accountancy (141:4), April 1976, p. 67-69.

"What the Information Analyst Should Know About Body Language" (with Randall D. Johnson), Management Information Systems Quarterly (1:3), September 1977), pp. 33-47.

"A Framework for Management Information Systems Research" Proceedings of the Ninth Annual Conference of the American Institute for Decision Sciences, October 1977, p. 573.

"An Empirical Evaluation of Structured Programming Techniques Using COBOL," (with John A. Ricketts), Proceedings of the Tenth Annual Conference of the America Institute for Decision Sciences, October 1978, p. 272.

"Development of An Instrument To Measure User Satisfaction With Management Information Systems," (with John A. Ricketts), Proceedings of the Eleventh Annual Conference of the American Institute for Decision Sciences, November 1979, p. 205.

"Why Information Systems Fail," (with several others), Proceedings of the Eleventh Annual Conference of the American Institute for Decision Sciences, November 1979, p. 143.

"The Use of Prototyping in Information System Design," (with Thomas D. Clark, Jr.), Proceedings of the Thirteenth Annual Conference of the American Institute for Decision Sciences November 1981, p. 172.

"The Use of Color to Enhance Information Presentations," Proceedings of the Second International Conference on Information Systems, December 1981, pp. 121-134.

"Prototyping: The New Paradigm for Systems Development" (with Justus D. Naumann), Management Information Systems Quarterly (6:3), September 1982, pp. 29-44.

"Meeting the Challenge for Information Systems in the '80's." Informatica (6:3), September 1982, pp. 30-33.

"An Introduction to Data Dictionary Systems," Informatica (6:4), December 1982, pp. 3-9.
